- Ron also thanked the Road Rangers for their hard work and for assisting the media by providing ride alongs.

- Beams have been in the process of being delivered for the Sisters Creek Project.
- The I-10 at Marietta Interchange should open in the next few weeks.
 - Ed Ward asked if the old ramps would be permanently closed and Ron replied that they would be.

- Pete asked for a wildfire update. Ed replied that most are prescribed burns.

- The Phase 9 Project is complete.
- The selection process has begun for a project in Nassau County on I-95 to install ITS from Pecan Park Rd. to the state line.

ITS devices on the same portion of the I-75 corridor. It will be out for bid soon and construction will begin in the fall.

- Design of the fiber is complete for the project on I-10 to extend infrastructure from I-295 to Tallahassee. Fiber installation will be let in the next couple months with the design of the ITS Devices portion coming later.
