- The Overland Bridge currently has work being done on ITS, power services, and punch-list items.
- I-10 and I-95: All shafts across the river are completed but one is questionable, so a sister shaft will be added.
- Detours and traffic shifts are in place for ramp construction and widening.
- Work is continuing in the Riverside area and the foundations are installed.
- The work on the sound wall on US-17 will begin soon.

#### **Construction Project Update by Odette Struys**

- The first phase of the First Coast Expressway should be open by late October.

#### **Emergency Operations Update by Ed Ward**

- There hasn't been much activity in our area other than keeping an eye on the potential tropical storms and hurricanes.

#### **Road Ranger Expansion Update by Dee Dee Crews**

- The recent addition of Road Rangers to the west portion of I-10 was the last of the expansion and took us from 8 Road Ranger patrols to 16 currently.
- The Express Lanes will have Road Rangers and a tow truck once the West Beltway opens.
- There has been ongoing discussion on Road Ranger cover for First Coast Expressway and if District 2 or Florida Turnpike Enterprises will be handling.

**ITS Update/ITS Projects – 511/RTMC by Craig Carnes and Ryan Crist**

- There are several ITS construction projects at the end of completion at the same time such as the Overland Bridge project, SR 9B Phase 3, SR 23 North and South, the First Coast Expressway, and the West Beltway Express Lanes, etc.
- District 2 has DMS messaging to help with detours for the I-95 closure in North Carolina due to the hurricane.

**Incident Debrief - Ed's List by Team Members**
