

First Coast TIM Team Meeting

Tuesday, July 17, 2018

Meeting Minutes

The list of attendees, agenda, and meeting handouts are attached to these meeting minutes.

Introductions and TIM Updates

- Dee Dee Crews opened the meeting and welcomed everyone.
- Attendees introduced themselves to the group.
- The purpose of this meeting is to improve Communications, Coordination, Cooperation and Collaboration between all TIM agency partners, as well as to improve safety and congestion on the highways.
- The May 2018 First Coast TIM Team Meeting Minutes were sent to the Team previously, and receiving no comments, they stand as approved.

TIM Capability Maturity Self-Assessment

- Craig led the Team in the annual TIM Self-Assessment.

Overland Bridge and Fuller Warren Project Update by Bill Kays with KCCS

- The Fuller Warren project is moving along very well. There are 54 drill shafts in the river and out of the 54 only ten still need to be placed.
- Crews are working on the center of the bridge close to the San Marco exit and the temporary median barrier wall was removed to attain some lane width.
- There is currently work being done on Ramp V and Ramp U, both near the FDOT Urban Office.
- Archer Western made some changes to the plans to avoid closing the Stockton St. exit due to concerns from the District Office. They have now staged their work to avoid closing the area for an extended amount of time.
- Both time and funding are on schedule at approximately 39% complete.
- For the Overland Bridge project, crews will attempt to put the final layer of pavement on Philips Hwy.
- The Right-Of-Way (ROW) is very tight which has caused issues with debris. There have been a lot of complaints from residents in the area who are finding debris from crashes in their backyards such as bumpers, car parts, etc. This has been a priority for the Construction and Maintenance crews.

Construction Project Update by Hampton Ray

- SR 9B at I-295 will have a detour from this Saturday at 10 p.m. to Monday at 5 a.m.
- The Mandarin Express Lanes should be open by end of late summer, possibly the end of September/early October.
- The JTB Express Lanes are expected to be complete by Spring 2019.
- The first phase of the First Coast Expressway should be open by the end of this year.

Emergency Operations Update by Ed Ward

- There have already been 3 major storms which have developed but none affected northeast Florida.
- The weather services are predicting an average year.
- The Florida Emergency Preparedness Association will hold a mid-year work session next week in St. Petersburg.
- St. Johns County will have its National Night Out on August 7th from 5-8 p.m. at the St. Augustine Beach pier. This is a public outreach event for law enforcement.

511 and RTMC Update by Ryan Crist

- The 511 team is in the process of rolling out the new app and have won a few national awards for their social media efforts during the hurricanes last year.
- The TMC has been dealing with the expansion of Road Rangers as well as prepping for the Express Lanes and the First Coast Expressway.
- They are also in the process of testing out ACTIVU with several partnering agencies.

Road Ranger Expansion Update by Dee Dee Crews

- The Road Ranger program has been expanded again and now has a route to the state line (Exit 17).
- A route will begin on I-10 at US 301 going westbound starting in the next month.
- Two more routes on I-10 are expected to begin soon.
- There will be Road Rangers routes covered on Saturdays and Sundays starting in the next month.

Incident Debrief - Ed's List by Team Members

- Incident on July 10th on I-10 at I-95:
 - Gerald with Jorgenson went over the time limit.
 - The state trooper did not call the wrecker until 40 minutes after the incident.
 - FHP is required to finish their paperwork first before calling the tow truck.

Performance Measures by Sherrell Lall

- Sherrell provided the team with a Performance Measures presentation.

Express Lanes Update by Dee Dee Crews

- A subcommittee will be created in August for the Express Lanes.
- The TMC operators are currently being trained to prepare for when the Express Lanes open.
- Dee Dee has been working with FHP regarding the FHP hire-back.
- There will be Road Rangers and a tow truck dedicated to the Express Lanes for the first 90 days 24/7.

Open Forum

- Annaleasa Winter with Florida Forest Service:
 - There is a wildfire off the Hodges and JTB area presumably from a lightning strike. The organic material is very deep and is burning off, so the area may be smoky for some time.

Announcements

- The RISC debrief meeting will be held directly after the TIM meeting. If you were involved in any RISC events, please stay to attend and discuss.
- If anyone would like to volunteer to give a presentation during an upcoming TIM Team meeting, please contact Dee Dee Crews at DeeDee.Crews@dot.state.fl.us.
- If anyone is interested in the SHRP2 Incident Management Training Course, please contact Craig Carnes at ccarnes@metriceng.com. He will work with any agencies' schedules, including nights and weekends to make the training course available. He can conduct training for groups of ten or more students.
- The next meeting will be held September 18, 2018 at the Regional Transportation Management Center (RTMC) – 980 N. Jefferson St., Jacksonville, Florida.

- **Next Meeting September 18th, 2018**

MEETING ADJOURNED

MISSION: The Florida Department of Transportation District 2 Traffic Incident Management Teams through partnering efforts strive to continuously reduce incident scene clearance times to deter congestion and improve safety. The Teams’ objective is to exceed the Open Roads Policy thus ensuring mobility, economic prosperity, and quality of life.

VISION: Through cooperation, communication and training the Teams intend to reduce incident scene clearance times by 10% each year.

TRAFFIC INCIDENT MANAGEMENT LIST (MAY 15, 2018 TO JULY 10, 2018). THIS LIST INCLUDES EVENTS FROM ED WARD AS WELL AS SUNGUIDE.

Date:	Unit:	Incident:	Road Number:	Time of Day:	Description:	Duration of Incident:	Deaths:
5/27/2018	TMC	ACCIDENT	I-10	2310	I-10 @ U.S. 301. E.B. DRIVER CROSSED THE MEDIAN INTO THE PATH OF A W.B. PREVOST BUS.	6 HOURS	2
