## Wednesday, October 13, 2021

### Meeting Minutes

*The list of attendees, agenda, and meeting handouts are attached to these meeting minutes.*

***\*For the health and safety of everyone, this meeting was held virtually to adhere to COVID-19 safety guidelines.***

#### **Introductions and TIM Updates**

- Craig Carnes opened the meeting and welcomed everyone.
- Craig stated the purpose of this meeting is to talk about our communications and coordination as a TIM team. For all incident response activities, we come together to talk about our successes and our failures. No finger pointing is involved as we strive to make this the best TIM team in the state, if not the Nation. He noted that today the Team will be going through our Traffic Incident Management self-assessment and that it will be sent to Federal Highways. They will do the overall scoring, and in a few months we will get those scores back and will be able to see how the Team is doing in relation to the rest of the Nation.
- The August 2021 Alachua/Bradford TIM Team meeting minutes were sent to the Team previously, and receiving no comments, they stand as approved.

#### **Emergency Operations Update by Amber Brock**

- Amber provided the Team a PowerPoint presentation for the 2021 Storm Season.

#### **ITS/511/RTMC Update by Craig Carnes and Jason Evans**

- The TPAS (Truck Parking Availability System) project is coming to a close. Craig noted there are still issues, but the issues are with the product. As the project is accepted, work will continue with the manufacturer to make sure that everything under warranty is replaced and upgraded as needed.
- A FL511 Working Group meeting was held a few days ago and a lot of new and interesting updates are expected to be made to the app including more hands free features.

#### **TIM Team Self-Assessment**

- Craig led the Team through the Self-Assessment questionnaire as the Team members collectively answered each question.

#### **Announcements**

- The next Alachua/Bradford TIM Team meeting will be held on December 8, 2021. The decision on if the meeting will be held in person or virtually will be sent out with the reminders.
