MEETING ADJOURNED

MISSION: The Florida Department of Transportation District 2 Traffic Incident Management Teams through partnering efforts strive to continuously reduce incident scene clearance times to deter congestion and improve safety. The Teams' objective is to exceed the Open Roads Policy thus ensuring mobility, economic prosperity, and quality of life.

VISION: Through cooperation, communication and training the Teams intend to reduce incident scene clearance times by 10% each year.

Alachua Bradford TIM Team Meeting

Wednesday, August 10, 2022

Meeting Minutes

The list of attendees, agenda, and meeting handouts are attached to these meeting minutes.

Introductions and TIM Updates

- Dee Dee Crews opened the meeting and welcomed everyone.
- Dee Dee stated the purpose of this meeting is to gather everybody together to coordinate and improve cooperation to clear the roadways sooner for everyone's safety and try to figure out ways to improve our roadway clearance times.
- The June Alachua/Bradford TIM Team meeting minutes were sent to the Team previously, and receiving no comments, they stand as approved.

Emergency Operations Update by Lola Butler

- In the process of updating the District 2 SharePoint Page. The page will be similar to D5 and more user friendly for everyone once it is complete, the link will be sent out.
- Provided the storm updates. There has been a reduction in the number of predicted storms. Although it is a slow start to the hurricane season, that is normal for this time of year and September is the peak hurricane season.
- Dee Dee stated that the RTMC in Jacksonville has double checked their Hurricane supplies (air mattresses, updated dry goods, First Coast Road Rangers are on standby for 24/7 service, safety meetings).

Maintenance Operations Update by Carrie Stanbridge

- Carrie introduced and welcomed Austin Woodington.
- Carrie stated that as of midnight on August 11th, I-75 welcome centers, and weigh stations would be under a new contractor (under Walsh group). Carrie asked everyone to please inform her of any issues.
- Oasis Landscaping is covering Alachua rest areas and I-75, everything else is under Walsh group.
- On I-75 and I-10, the new maintenance contract does not include bridges.
- The beam hit at Ellisville was fixed. It has been hit 2 more times after being fixed.
- There are concerns going into Hurricane Season that beams will continue to get hit.

ITS/511/RTMC Update by Penny Kamish

- The Gainesville TMC is continuing to monitor and change signal timings when needed.
- No new ITS projects currently.
- The 511 app is in the process of updating with new features. Multiple my camera routes. Users can create their own map area and have the ability to create maps from mobile devices. Lots of hands-free abilities. It will likely be the end of the year before the app is complete.

Performance Measures by Taylor Rouse

- Taylor provided the Team with a Performance Measures presentation.

Incident Debrief

- The event of 7/27 took longer because of it being police related.
- Nothing additional

Open Forum

- Chris Gilbert with the Alachua County Environmental Protection Department stated that with inflation and increased cost there has been an increase of illegal dumping in the Right of Way. If authorities cannot determine who dumped, it becomes the peoples (whoever owns the property that was dumped on) responsibility to get it cleaned up.
- Bart Knowles with UF Police Department stated that Alachua County schools went back on 8/6, and University of Florida and Santa Fe College both begin on 8/26. 8/18-8/20 are move in days for UF.

Announcements

- The next Alachua/Bradford TIM Team meeting will be held on October 12th at 10 A.M. and will be held at the Gainesville Operations Office (5301 NE 39th Avenue).
- If anyone needs anything or has any questions, please contact Dee Dee Crews at DeeDee.Crews@dot.state.fl.us or (904) 903-2009.
