

Alachua/Bradford TIM Team Meeting
Wednesday August 12, 2015

Meeting Minutes

- Donna Danson opened the meeting by welcoming everyone and asking them to introduce themselves.
- Following introductions, Donna stated the purpose of the meeting is to work together as a team and learn from each other.
- Donna stated there were no comments for the previous Meeting Minutes so they are approved as read.
- Ed Ward was unable to attend but had nothing new to report.
- Josh Reichert gave the 511 Update.
 - SunGuide® is being upgraded to a newer version.
 - There is still a plan to upgrade 511 to make it a better system and more user friendly.
- Pete Vega gave the ITS Update.
 - Payne's Prairie – The project should be completed by mid-September. Once completed the devices will be integrated into the Smartraffic TMC and should be operational in October.
 - SR 121 N to the Georgia Line – The pre-construction meeting for the fiber installation phase was held Monday morning. This project should be completed in less than 500 days. Once this portion is completed another project will install ITS devices and power services.
 - There is a new Traffic Engineer in Gainesville. His name is Emmanuel Posadas and he was previously the Traffic Operations Engineer for the City of Boca Raton.
 - The city of Gainesville will be purchasing small DMS for the major arterial roadways throughout Gainesville.

- Rebecca White gave the Construction Project Update.
 - I-75 Resurfacing north of US 441 to the Santa Fe River – The contractor will continue paving the shoulders and outside lanes. There will be nighttime detours during construction of the Exit 404 ramps and CR 236 overpass.
 - SW 34th Street (SR 121) Resurfacing between Archer Rd. and NW 5th Ave. - The structural course is placed. Friction is expected to begin within the next few weeks.
 - Upcoming Projects (Construction Bids to be Received by June 17)
 - The I-75 resurfacing and interchange improvements at 39th Avenue (State Road 222) to north of U.S. 441 are scheduled to begin in the fall.
 - Bradford County – Starke Railroad Overpass - A Public Alternatives Meeting will be held August 17 from 4:30-6:30 p.m. at the Bradford County Fairgrounds to discuss the proposed overpass.

- Donna Danson led the FHWA TIM Team Self-Assessment.

- Donna led the Agency Reviews.
 - FHP –
 - Lt. Caulk noted that Captain Fincher is still out and asked the Team to keep him in their thoughts.
 - Lt. Caulk thanked all agencies who were involved in the active shooter incident on the interstate.
 - He gave kudos to the RISC contractor Shelby’s Towing for their willingness to communicate and adjust.
 - FHP just lost 7 state troopers at one time. There are 2 new rookies who should be finishing up training within the next week.
 - City/County Police Departments – Nothing to discuss.
 - Maintenance/Asset Management – Nothing to discuss.
 - Medical Examiner –
 - Catherine Weldon also thanked all agencies who were involved with the active shooter incident.
 - Fire Department –
 - Assistant Chief Larry Stewart noted the active shooter incident went well but wanted the Team to keep in mind that if it would have happened during a busy time of day the Chief Officers would be forced to pull some of the transports for active calls.
 - Emergency Management – Nothing to discuss.
 - Wrecker Association – Nothing to discuss.
 - Division of Forestry -
 - Jamie Rittenhouse gave a report for Alachua and Bradford Counties. Since the last meeting there have been 2 wildfires in Alachua County for a total of 35.1 acres. There have been 204 authorized burn piles, and 136 authorized fires for a total of 42 acres. There were no wildfires in Bradford County since the last meeting, but there were 28 authorized burn piles and 14 authorized fires for a total of 2 acres.
 - FDEP-BER / Alachua Environmental –
 - Josh Reichert mentioned an email he received regarding funding cuts within DEP. Don Mozick stated a steady amount of their funding has been diverted by upper management to cover a few major spills. He stated it shouldn’t affect response here, only if there is an undeterminable spill where the state would have to pay for it.
 - City of Gainesville – Nothing to discuss.
 - City of Williston –

- Chief Dennis Strow noted an issue when I-75 is shut down and traffic is diverted to Williston Rd. into the city of Williston. Once traffic gets backed up on the interstate, motorists then start to exit onto Archer Rd. and Newberry Rd. This causes a gridlock at US 41 and SR 121 backing up traffic for miles. Chief Strow suggested some sort of communication for when I-75 does get shut down. Pete Vega suggested that the TMC in Jacksonville can send out an email alert or text message to make the agencies aware when an Interstate would be shut down. Josh mentioned a call list could be created for the TMC to notify dispatch in the event of the interstate being shut down. The phone number for the Williston Police Department dispatch is (352) 528-4991. Pete mentioned a possibility of Captain Keith Gaston giving a Web EOC presentation at the next Alachua/Bradford TIM Team meeting.
- Donna led the Incident Debrief.
 - Lt. Caulk stated the incident listed on SR 21 where 2 pedestrians were struck by a vehicle on July 10th occurred in Bradford County, not Gainesville.
 - The incident listed on SR 100 on June 15th was a multi-vehicle crash, not a single vehicle crash.
- Donna mentioned the revised Diversion Routes can be found on the TIM website using the following link: http://www.jax511.com/D2TIMwp/?page_id=43. Any comments or corrections would be appreciated.
- Donna stated if anyone is interested in the SHRP II Incident Management Training Course to please contact Craig Carnes at ccarnes@metriceng.com. He will work with any agencies' schedules, including nights and weekends to make the training course available. He is able to conduct training for groups of ten or more students.
 - There will be a one day 10 hour Train the Trainer Course that will be held in October in Jacksonville. More information will be sent out to the Team regarding this course.
- Announcements:
 - Next Alachua/Bradford Traffic Incident Management Team meeting will be October 14, 2015 at the FDOT Gainesville Operations Office – 5301 N.E. 39th Ave., Gainesville, Florida.
- Donna thanked everyone for their attendance and participation.
- Meeting adjourned.

Alachua-Bradford Traffic Incident Management Team Agenda

August 12, 2015

Welcome/Purpose	Donna Danson
Introduction/Greetings	Team Members
Minutes –June 2015 Approval	Team Members
