

First Coast TIM Team Meeting

Tuesday, March 19, 2019

Meeting Minutes

The list of attendees, agenda, and meeting handouts are attached to these meeting minutes.

Introductions and TIM Updates

- Dee Dee Crews opened the meeting and welcomed everyone.
- Attendees introduced themselves to the group.
- The purpose of this meeting is to improve Communications, Coordination, Cooperation and Collaboration between all TIM agency partners, as well as to improve safety and congestion on the highways.
- The January 2019 First Coast TIM Team Meeting Minutes were sent to the Team previously, and receiving no comments, they stand as approved.

Overland Bridge and Your 10 & 95 Project Updates by Bill Kays with KCCS

- The Overland Bridge project is mostly complete with only ITS punch-list items remaining.
- There is an area of concern for drainage on the Overland Bridge where I-95 northbound and the northbound collector distributor splits north of the San Diego Bridge. This will result in several added weeks of work.
- There is work being done on the ramps in the Stockton St. area.
- The overhead sign structure on I-10 that spans both eastbound and westbound needs to be removed. This is tentatively scheduled for the last weekend in March with a full detour.
- Work is continuing in the Riverside area.

Construction Project Update by Hampton Ray

Hampton was unable to attend the meeting, but relayed the following update:

- The Express Lanes and First Coast Expressway are still expected to open Spring of this year.
- With the upcoming opening of toll facilities in our region, FDOT is encouraging the public to find toll related answers by visiting <https://www.sunpass.com> or calling 1-888-TOLL-FLA.
- Please call the Public Information Office at (904) 360-5400 for any questions/comments/concerns.

Emergency Operations Update by Ed Ward

- There is very little to report at the moment.
- The FHWA Emergency Relief Update training invitation was sent to the TIM Teams yesterday. The training dates are as follows:
 - April 11th in Lake City
 - April 16th in Gainesville
 - April 17th in Jacksonville
- The EOC is currently preparing for upcoming hurricanes by reviewing documentation.

ITS Update/ITS Projects – 511/RTMC by Craig Carnes and Jason Evans

- The testing requirements and final documentation are being finalized for the Overland Bridge project.
- Final walk-throughs, testing requirements, and final documentation are being done on the First Coast Expressway project.
- There has been MVDS testing on the West Beltway to ensure accuracy once the Express Lanes open.
- The I-75 projects have wrapped up, so we are now able to monitor that entire roadway.
- The I-95 Nassau County project is wrapping up. This project will extend ITS coverage up to the Georgia line.
- The Interactive Voice Recognition (IVR) phone service for FL 511 is being phased out. Dee Dee noted the app is now more user friendly and has handsfree and voice activated features.
- The RTMC Operators are getting trained and certified for the Statewide Express Lanes Software (SELS) to operate the Express Lanes.

Express Lanes, Road Rangers, and First Coast Expressway Updates by Dee Dee Crews

- The Express Lanes currently have a Road Ranger, a tow truck, and an FHP Hireback onsite 24/7. They will remain 24/7 for 90 days and then the need will be reevaluated.
- Once the First Coast Expressway opens there will be one Road Ranger available Monday through Friday from 6:30 a.m. to 6:30 p.m.
- The details for Road Rangers on the East Beltway are still being evaluated. There will possibly be two Road Rangers, either staged or patrolling.

Incident Debrief

The Team discussed the following:

- Dee Dee encouraged the Team to discuss any of the incidents on the list.
- An incident on January 30th on US-301 (not on the incident list) was discussed. There was a question regarding who would provide notification if a commercial vehicle driver is injured and transportation. FHP responded that they would handle this type of notification.

Performance Measures by Sherrell Lall

- Sherrell provided the team with a Performance Measures presentation.
 - ASAP Towing inquired as to why RISC was not called on the incident with three semis on I-10 at US 301. Dee Dee noted that she was not aware as to why FHP had not called RISC.

Incident Review by Gerald Smith with Jorgensen

- Gerald provided the Team with a presentation reviewing several incidents.

Open Forum

- Annaleasa Winter with the forestry department noted they are not expecting an active fire season.
- Captain Dubois is retiring after more than 30 years with FHP.
- Express Lanes Task TIM Training was held at the RTMC in the TPO Boardroom on February 21st and was well attended. The next phase of training will be in the field.
- Michael Rollins introduced himself to the Team as the Turnpike's Asset Maintenance Project Manager. Ferrovial Services will be the Asset Maintenance Contractor.

Announcements

- If anyone would like to volunteer to give a presentation during an upcoming TIM Team meeting, please contact Dee Dee Crews at DeeDee.Crews@dot.state.fl.us.
- If anyone is interested in the SHRP2 Incident Management Training Course, please contact Craig Carnes at ccarnes@metriceng.com. He will work with any agencies' schedules, including nights and weekends to make the training course available. He can conduct training for groups of ten or more students.
- There will be a SHRP2 Course held on May 15th in Green Cove Springs at the Clay County EOC from 9 a.m. to 1 p.m. If you are interested in attending, please contact Misha Gonzales at melder@metriceng.com.
- The RISC debrief meeting will be held directly after the TIM meeting. Anyone involved in any RISC events are asked to stay and attend to discuss.
- The next meeting will be held May 21, 2019 at the Regional Transportation Management Center (RTMC) – 980 N. Jefferson St., Jacksonville, Florida.
